# great class

The elegance of the **confo** executive chair lies in the beauty of its sleek lines and rich Italian leather upholstery. This exquisite blend of design and materials exudes considerable character. Distinctive down to the smallest detail, **confo** is available in six refined shades.

The nobility of leather along with the highly resilient foam, which covers the structure, conspire to provide superior comfort. Given that seating comfort is a matter of personal preference, **confo** offers two sizes of multiposition backrests, as well as two types of armrests and two base finishes. **confo** clearly offers today's decision-maker an executive chair reflecting his position.
