Perceval

The armchairs, love seats and sofas of the Perceval collection inspire respect with the sculptural and stately simplicity of their squared forms. Tasteful and robust, they are the perfect answer to your epic quest for elegance and comfort.

Design: Suzanne Léger and the Artopex team

Distinct design solutions are offered to enable you to personalize your Perceval.

Wood footings add natural detail to your décor whereas metal invokes a more modern feel.

Your choice: base front in fabric or – for a positively unique look – metal.

Two-tone upholstery option.
