

sentinel

artopex®
the art and the purpose

Distinguished Elegance

The Sentinel chair was designed to be the perfect fit for the demands of today's business professionals. Beyond the subtle delicacy of its sleek good looks, the Sentinel is also unfailingly tough, strong and durable.

Design: Suzanne Léger and the Artopex team

Sentinel's horizontal lines create an authoritative image, with a knowing nod to contemporary chic. A choice of two widths (shown left) and two back heights provides a tailor-made fit.
