

# 24Centric series

ergoCentric

Show with Plus Arms

The 24Centric series is designed to provide exceptional cushioned comfort with the ergonomic support needed for a variety of office tasks. Versatile in its capabilities, the 24Centric's durable design and pleasing aesthetic make the chair well suited for control room use and other 24 hour environments.

- Modular design offers base, caster and arm options to accommodate a diverse workforce
- The unique air lumbar system allows the amount of lumbar support to be adjusted laterally
- New patented 24Centric headrest option provides superior head and/or neck support without the need for knobs or levers
