series

Saffron Ratchet  
Tall Back Dedicated Task

Turn Knob Back Height System

Plastic Back Cap\*

Saffron I Dedicated Task  
with footring

Built using the same high quality materials found in all ergoCentric chair lines, the Saffron series offers a cost-effective and comfortable solution for ergonomic task seating. The Saffron series is designed with all the features ergonomists demand; quality materials, quality workmanship and ergonomic function. In combination, these features are designed to maximize both health and productivity.

- Ratchet back system offers up to 5 inches of back height adjustment (Mid Back, Tall Back and High Back models only)
- Turn knob system offers up to 4 inches of back height adjustment (Four back sizes available)
- Plastic Back Caps are standard with vinyl, PVC-free (vinyl-like) or ergoCentric+Guard upholsteries on models I, II and MBR backrests only\*
- Available in Apt, Dedicated Task and Multi Tilt models

The Saffron series is the first chair to be recognized by the Canadian Physiotherapy Association.
