

ecoCentric Mesh series

The ecoCentric Mesh series features a high quality mesh back with four inches of infinite lumbar adjustment. The only mesh chair featuring ergoCentric's patented geometric paddles and icon plate, the ecoCentric Mesh series can be simply and easily adjusted from the seated position.

Unique to ergoCentric, a biofoam airflow seat option combines the benefits of airflow with the proven ergonomic comfort and support of foam and fabric.

Available in dedicated task, multi tilt and board room versions, the ecoCentric Mesh series offers six seat sizes as well as multiple seat height and arm options.
